TIER 1 ROUND ADJUSTMENTS

For those who've been in the association for a few seasons, you know that we do our best to create seven (7) week Regular Seasons for all of our Tier 1 tournaments. While we do our best to keep tournaments to either 7 rounds for single-header game titles or 14 rounds for double-header game titles, our tournament breakdown is dictated by team registrations.

Rarely do registrations result in perfect numbers, leading to rebalancing and adjustments to group numbers. This sometimes leads to the use of extra rounds, or reducing rounds of regular season competition.

Additional Rounds:

PS Street Fighter - Central - Central teams will have an additional round of matches that are currently on April 3rd at 9:00 pm CT. Teams can reschedule this match to any time in the season!

PS Fortnite - Central 2 - Central Group 2 teams will have two additional round of matches on March 24th at 7:30 pm CT and March 31st 2025 at 7:30 pm CT. Teams can reschedule this match to any time in the season!

PS SSBU - East 2 & West - East Group 2 teams will have one additional round on April 4th at 6:00 pm ET for East 2 and 6:00 pm PT for West. Teams can reschedule this match to any time in the season!

Reduced Rounds:

PS Rocket League - East & West - Both groups have had their season reduced to 5 weeks.

PS R6 Siege - East - East Group has had their season reduced by one week.

PS CoDGF - Central - Central Group has had their season reduced by one round.

PS MK - Central 2 - Central Group 2 has had their season reduced by one round.

2025 - 2026 PREPARATIONS!

Have you filled your teams for the Fall 2025 - Spring 2026 year of activity?

There's still time!

While most recruiting for collegiate esports teams happens starting in early fall, the spring semester offers you plenty of time to fill vacant roster slots for the next year of activity.

More than competition

Even with esports programs being founded through competitive teams, there are many opportunities to expand your recruiting through extended program roles!

NJCAA ESPORTS

In 2019 the National Junior College Athletic Association formed NJCAA Esports to better serve their existing community of member institutions who wanted a competitive association focused on their unique needs and the groups they serve. To date, NJCAA Esports serves over 6,000 students and is working with over 230 institutions.

With a focus on breaking down barriers to entry for member colleges and their students, we have created the only association capable of thoroughly meeting the needs of 2-year and community colleges. The NJCAA Esports offers many program solutions through the association and our partners. These offerings range from program development, competition, media, broadcasting, gearing solutions, and much more!
